# FIND FAMILIAR (5E, 2024 RULES) – DESCRIPTION

**Level 1 – Conjuration (ritual)**
Casting Time: 1 hour or Ritual · Range: 10 feet
Components: V, S, M (incense worth at least 10 GP, consumed) · Duration: Instantaneous
Classes: Wizard

You summon a spirit in an **animal form**: Bat, Cat, Frog, Hawk, Lizard, Octopus, Owl, Rat, Raven, Spider, Weasel, or another Beast with Challenge Rating 0. The familiar keeps that form's statistics, but is a **Celestial, Fey, or Fiend** (your choice) instead of a Beast. It appears in an unoccupied space within range.

The familiar acts on its own but obeys your commands. Within **100 feet**, you communicate telepathically. As a Bonus Action, you see and hear through its senses until the start of your next turn. When you cast a **touch** spell, the familiar within 100 feet can deliver it using its Reaction.

**Combat**: the familiar rolls its own Initiative and acts on its own turn. It can't **attack**, but can take other actions.

If it drops to 0 HP, it disappears until you cast the spell again. With a Magic action, you can send it to a pocket dimension temporarily, or dismiss it permanently; once sent away, you can recall it with a Magic action within 30 feet. You can have only **one familiar**: casting the spell again changes its form.

### 🎲 Quick summary:

1. 1-hour casting, or as a Ritual.
2. The familiar takes an animal form (Celestial, Fey, or Fiend).
3. It takes its own turn and can't attack.
4. Telepathy at 100 ft, touch spells delivered with its Reaction.

---

### ⚠ Change from 2014

In 2014, the familiar acted on your initiative. In 2024, it **takes its own turn** with its own Initiative.

---

### ⚠ Flaw in the rule and fixes Table rule

The text doesn't say what the familiar can do in combat beyond "can't attack". Fix: it keeps actions other than Attack (Help, Dodge, etc.).

### 💡 Narrative option: Table rule

The DM can describe a small animal with eyes too clever, appearing in a cloud of incense.

## Step 1 – Cast the spell:

1 hour (or Ritual), 10 GP of incense consumed. Choose the animal form.

---

## Step 2 – The familiar appears:

It is a Celestial, Fey, or Fiend of your choice, with the chosen form's statistics.

---

## Step 3 – Following it:

Telepathy at 100 ft; a Bonus Action to see and hear through its senses; it can deliver your touch spells with its Reaction.

---

## Step 4 – In combat:

It rolls its own Initiative. It can't attack but can take other actions (for example Help).

---

*Example: Lysa summons a cat as her familiar. In combat, it rolls its own Initiative and uses Help to give Lysa Advantage on her attack.*

## ⚠ Common questions:

### Which forms?

A CR 0 Beast such as Cat, Owl, Raven, Rat, etc.

### Can it attack?

No, but it can take other actions.

### Does it act on my initiative?

No: it rolls its own Initiative.

### Can it deliver a touch spell?

Yes, with its Reaction, within 100 ft.

### What happens at 0 HP?

It disappears until I cast the spell again.

### How many familiars?

Only one.

### Can I see through its eyes?

Yes, with a Bonus Action, until the start of my next turn.

### Can it help in combat?

Yes, with the Help action. Table rule

## ⚠ Debate points and table options: Table rule

### Help and attacking

The familiar can't attack but can use Help. **Option**: keep it.

### Initiative

The familiar rolls its own Initiative. **Option**: keep it.

### Touch spells

The familiar delivers the spell with its Reaction. **Option**: within 100 ft.

### Familiar's death

It disappears at 0 HP and leaves its items. **Option**: keep it.

### Form and creature type

A familiar is a Celestial, Fey, or Fiend. **Option**: the DM specifies the effects that affect these types.

## ⚠ Rule clarifications (answers found on the web, reworded):

### Familiar and Help

A familiar can't attack, but it can take other actions, including Help to give Advantage on an attack.

### Familiar and Sneak Attack

A familiar counts as an ally for Sneak Attack or features that need a nearby ally.

*These points remain open to discussion: your feedback is welcome to refine this sheet.*
