General rule – Heroic Inspiration · "Playing the Game" chapter of SRD 5.2.1

Heroic Inspiration is a reward the DM gives for an act that is **heroic, dramatic or true to your character**. If you have it, you can spend it to **reroll a die** right after rolling it and **use the new roll**.

You can't **stack** it: you either have it or not. You can **give** it to another player, at the DM's discretion.

🎲 Quick summary:

1. The DM grants Inspiration for a heroic act or true to character.
2. You spend it to **reroll a die**.
3. You keep the **new** roll.
4. You can only have **one** Inspiration at a time.

⚠ Change from 2014

2014 Inspiration gave Advantage; in 2024 it lets you **reroll any die** and can come from species (Human).

⚠ Flaw in the rule and fixes Table rule

The SRD doesn't set when to give it. Fix: the DM announces criteria (one Inspiration per session, say).

💡 Narrative option: Table rule

The DM can describe the heroic surge that sparks Inspiration so players recognize it.

Step 1 – Receive:

The DM gives it for a heroic act. Humans can regain it on every Long Rest.

Step 2 – Check:

You can only have one.

Step 3 – Roll a die:

A D20 Test, a damage roll, a saving throw: any die.

Step 4 – Spend:

After rolling, reroll that die and keep the result.

Step 5 – Give:

You may pass it to another player, per the table.

Example: Brann misses an attack roll, spends Inspiration, rerolls the d20 and keeps the new result.
