Level 3 – enchantment
Casting time: **action** · Range: **120 ft** · Components: **V, S, M** · Duration: **Concentration**, 1 minute

You alter time around **up to six creatures** of your choice in a **40-foot cube**. Each target makes a **Wisdom save** or is affected.

An affected target has its **Speed halved**, takes a **−2 penalty to AC** and **Dexterity saves**, can't take **Reactions**, can use only **an action or a Bonus Action** (not both) and can make only **one attack** with the Attack action. It repeats the save at the end of each of its turns.

🎲 Quick summary:

1. Up to **6 creatures**, **Wisdom** save.
2. Speed ÷ 2, **−2 AC** and Dex saves.
3. No Reactions; **action or Bonus Action**, not both.
4. New save at the **end** of each turn.

⚠ Change from 2014

SRD 2024 keeps the 2014 effect with clearer wording: action or Bonus Action, only one attack.

⚠ Flaw in the rule and fixes Table rule

The SRD doesn't say what happens to spells being cast. Fix: a spell cast with an action can be delayed to its next turn.

💡 Narrative option: Table rule

The DM can describe the creatures as swallowed by an invisible mud.

Step 1 – Choose the area:

A 40-ft cube within range (120 ft).

Step 2 – Choose targets:

Up to six creatures in the cube.

Step 3 – Save:

Each target makes a Wisdom save; failure: affected.

Step 4 – Effects:

Speed ÷ 2, −2 AC and Dex, no Reactions, action or Bonus Action, one attack.

Step 5 – End:

New save at the end of each target's turn; success: the effect ends for it.

Example: three ogres fail their Wisdom save: Speed ÷ 2 and no Reactions. One succeeds next turn and breaks free.

⚠ Common questions:

How many targets?

Up to six in the 40-ft cube.

Which save?

Wisdom.

Can they break free?

Yes: a save at the end of each turn.

Cast spells?

A one-action spell can be delayed.

How many attacks?

Only one with the Attack action.

Concentration?

Yes: damage ⇒ Constitution save.

⚠ Debate points and table options: Table rule

Delayed spells

A delayed spell still costs the slot. **Option**: keep it.

Reactions

No Reactions: no Opportunity Attacks. **Option**: keep it.

Cube

Where to place the cube? **Option**: a corner on a visible point.

⚠ Rule clarifications (answers found on the web, reworded):

Action or Bonus Action

The target chooses one or the other, never both.

Concentration

Losing Concentration ends the spell for all.

Final save

Each target repeats its save at the end of its own turn.

These points remain open to discussion: your feedback is welcome to refine this sheet.
