Skill – Nature (Intelligence) · SRD 5.2.1

Nature is used to **recall knowledge** about terrain, plants, animals, weather and natural cycles. It uses an **Intelligence (Nature)** check, often via the **Study** action.

🎲 Quick summary:

1. **Intelligence (Nature)** check.
2. Lore: plants, animals, terrain, weather.
3. **Study** action to dig deeper.
4. DC by how rare the information is.

⚠ Change from 2014

SRD 2024 ties the lore skills to the **Study** action.

⚠ Flaw in the rule and fixes Table rule

The SRD doesn't say what information you get. Fix: one useful fact per success, more if the roll beats the DC by 5.

💡 Narrative option: Table rule

The DM can deliver the information as a memory ("you recall these berries are toxic").

Step 1 – Announce:

The player says what they want to know (plant, animal, terrain).

Step 2 – Study:

Study action if examining; otherwise instant recall.

Step 3 – Set the DC:

DC 10 common; 15 uncommon; 20 rare.

Step 4 – Roll:

1d20 + Intelligence + proficiency.

Step 5 – Reveal:

Success: a useful fact; beat by 5: an extra detail.

Example: Elora examines berries (DC 15). She rolls 16: she knows they're toxic.

⚠ Common questions:

Nature or Survival?

Nature: knowing; Survival: acting in the wild.

Can I identify a plant?

Yes with Nature, DC by rarity.

Creatures?

For animals and beasts; supernatural monsters: Arcana.

Must I Study?

To dig deeper; simple recall doesn't need it.

Weather?

Yes: natural cycles.

Retry?

No: knowledge doesn't change.

⚠ Debate points and table options: Table rule

Partial information

A failure gives half-truth. **Option**: no, no info.

Monsters

Are monsters Nature? **Option**: by type.

Common knowledge

Common knowledge needs no roll. **Option**: keep it.

⚠ Rule clarifications (answers found on the web, reworded):

Study

The Study action serves Intelligence skills.

Lore

These skills recall knowledge, not deductions.

Retry

Retrying doesn't change the character's knowledge.

These points remain open to discussion: your feedback is welcome to refine this sheet.
